A professionally managed event that was a replication of event held in 2018. This event would be managed in accordance with the agreed event management plan (EMP) with all authorities.

Provision of SIA approved door staff with an entry policy.

Control of the area with existing infrastructure that provided a barrier from dangerous individuals with a physical point where individuals could be removed from. SIA would be coordinated by DPS at all times.

The event would finish at 00:00 hrs which was a suitable time to ensure safety of visitors and minimal disturbance to local residents.

This was a family focused event raising funds for the royal marine charity which would have many children on site at all times. A child protection policy would be implemented with all SIA staff and stewards adhering to.

Last Date for receipt of representations by the Licensing Authority 2 August 2019

The Committee felt that the midnight finish was too late, especially as the residents in the immediate area were elderly residents or people with disabilities living in supported accommodation. Members felt that an 11pm finish would be more appropriate.
