The Chairman welcomed all to the meeting, including any members of the public and the Press. He also clarified the protocol for this virtual meeting.

In response to a query from Councillor B Bailey about the standing orders relating to the election of a Chairman, the Town Clerk clarified that in June 2020 the Town Council adopted an addendum to standing orders which gave two options for electing a new Chairman whilst holding a virtual meeting. The first was to vote by raising hands and the second to vote by taking a roll call. It had been agreed with the current Chairman to use the second option at this current meeting and determine the election of a new Chairman by roll call.

In response to a query from Councillor L Elson about the standing orders relating to the duration of the Chairman's term of office, the Town Clerk further clarified that there is nothing in the current standing orders, which were last adopted in June 2019, which stipulated that a candidate cannot stand beyond two years.

Public Forum: There were no questions from members of the public.

Finance Committee

Councillor A Sadiq proposed, seconded by Councillor L Elson, and it was **RESOLVED** that the Town Council approves the minutes of the meeting held on 25 March 2021 and any recommendations therein.

Town Clerk's Report

The Town Clerk's report, which had been previously circulated, was noted.

Deputy Clerk's Report

The Deputy Clerk's report, which had been previously circulated, was noted.

In respect of the lighting in the bollards in front of the clock tower flowerbeds, the Deputy Clerk clarified that she was awaiting formal confirmation of EDDC's ownership before approaching them about the issues which needed to be resolved. Councillor F Caygill updated that he had spoken to EDDC's Nick Christo, who confirmed EDDC's ownership of the bollards and recessed lighting, about rectifying the lighting, and possibly improving it with floodlights. The Deputy Clerk stated that she would report the lighting issue to EDDC and confirm arrangements with Jonathan Rhind Architects.

Climate and Ecological Emergency Working Party

The notes of the meeting held on 9 March 2021 and 13 April 2021, which had been previously circulated, were noted.

There followed some discussion about the Working Party's recommendation to the Town Council to support the Climate and Ecological Emergency Bill. The discussion focused on different aspects relating to the Bill and the climate emergency generally, including: Citizens' Assemblies; costs; organisations who support the Bill; and shipping as a major cause of carbon emissions.

Following discussion, it was proposed by Councillor T Dumper, seconded by Councillor F Cullis, and **RESOLVED** that the Town Council:

- I. Support the Climate and Ecological Emergency Bill**
- II. Inform the local media of this decision.**
- III. Write to Simon Jupp MP, asking him to support the Bill; and**
- IV. Write to the CEE Bill Alliance, the organisers of the campaign for the Bill, expressing its support.**

The notes of the meetings held on 26 February 2021 and 23 March 2021, which had been previously circulated, were noted.

Councillor F Caygill briefly updated members on developments with contractors working on the CCTV project but explained that it remains a work in progress. Councillors B Bailey and M Chapman thanked Councillor Caygill for his work on the project to date.

Community Organisations Liaison Panel

The notes of the meetings held on 8 March 2021 and 19 April 2021, which had been previously circulated, were noted.

Councillor P Stott provided a brief update on the Beach Wheelchair project. A 10-year lease for the storage building has been secured and the planning application has been submitted, so Councillor Stott is hopeful to have the wheelchairs available for use in time for the school summer holidays. She also hopes the project will include a 'Batmobile'-style wheelchair donated by a children's charity, which would make 6 wheelchairs in total. Councillor F Caygill thanked Councillor Stott for her hard work in delivering this project.

Exmouth Transport Partnership

The notes of the meeting held on 23 March 2021, which had been previously circulated, were noted.

Following a short discussion about Stagecoach buses being left unattended by the LED Exmouth Leisure Centre, it was agreed that incidences need to be logged and reported to Stagecoach. Councillor T Dumper stated that he would again get in touch with Stagecoach to pursue this.

Festival and Events Working Party

The notes of the meeting held on 8 April 2021, which had been previously circulated, were noted.

Town Maintenance Overview Working Party

The notes of the meetings held on 4 March 2021 and 8 April 2021, which had been previously circulated, were noted.

There followed some discussion about the Working Party's recommendation to lease 3 new vehicles for the Town Maintenance Team, which was largely focused on whether electric vehicles or those using LPG (liquified petroleum gas) should be

considered. Councillor I Kirvan explained that the availability of such vehicles is currently poor, and that the planned new Phear Park depot does not have mains electricity, which would preclude electric vehicles at present. Time constraints were also a major current consideration. However, Councillor O Davey pointed out that part of the attraction of leasing vehicles now was to enable an easier future switch to electric or LPG power once the availability of such vehicles has improved and mains electricity has been installed at the depot. Councillor Kirvan also confirmed that all vehicles would display the Town Council logo and crest.

Following discussion, it was proposed by Councillor I Kirvan, seconded by Councillor M Chapman, and **RESOLVED that the Town Council leases three vehicles at a combined annual rental of £10842.96** (as per report previously circulated).

Neighbourhood Plan Continuity Meeting

The notes of the meeting held on 12 March 2021, which had been previously circulated, were noted.

Town Team

The notes of the meetings held on 10 March 2021 and 21 April 2021, which had been previously circulated, were noted.

Councillor P Stott provided a brief update on the Exmouth in Isolation knitted flowers project, which now cannot be displayed in the original empty premises as planned because it appears that the building is going to be let.

Exmouth Queen's Drive Delivery Group

The minutes of the meeting held on 11 March 2021, which had been previously circulated, were noted.

Councillor A Bailey updated that the Queen's Drive Space has been relaunched with the arrival of temporary food sellers and a funfair. She stated that she is passionate about the initiative and is keen to remain on the group.

Councillor B De Saram proposed a motion, seconded by Councillor B Bailey, and it was **RESOLVED that the Town Council write to EDDC to request an increase in Town Council representation on this group.**

WEB Community Health and Wellbeing Board

The notes of the meeting held on 4 March 2021, which had been previously circulated, were noted.

C21/033. To ratify the Terms of Reference, including delegated authority, for all Committees and Working Parties.

Before seeking to ratify the Terms of Reference, which had been previously circulated, the Town Clerk explained that she had cross-referenced the Terms of Reference with current Working Party membership and established that two of the Working Parties (Exmouth Transport Partnership and Town Maintenance Overview) were oversubscribed. She therefore proposed amending the membership criteria in the Terms of Reference for those Working Parties to 'one Councillor per ward plus the Chairman of the Working Party'. She acknowledged that, if the Chairman of

those Working Parties should subsequently change, causing a further change in membership, then further amendment to the Terms of Reference would need to be ratified at a subsequent Town Council meeting, on a case-by-case basis.

There followed some discussion about the Terms of Reference for the Climate and Ecological Emergency Working Party and whether its meetings should become open to the public. The Town Clerk clarified that the aim of Working Parties is to enable Councillors to consider ideas in an informal forum which, once developed, would be presented to the Town Council for full consideration and ratification. This process is entirely transparent, with Working Party notes published on the Town Council's website, along with Town Council agendas and minutes, all of which are accessibility compliant. The Town Clerk cautioned that increasing the number of public meetings would considerably increase the administrative requirements. However, should Councillors wish to debate this further, this could go on a future Town Council agenda.

Councillor T Woodward proposed, seconded by Councillor I Kirvan, and it was **RESOLVED that the Terms of Reference, including delegated authority, for all Committees and Working Parties be approved and adopted. This included the amendments to the membership criteria of the Exmouth Transport Partnership and Town Maintenance Overview Working Parties to 'one Councillor per ward plus the Chairman of the Working Party'.**

C21/034. To ratify the appointment of members for all Committees, Working Parties and Outside Body representations.

The Town Clerk had circulated an updated nominations list for membership of all Town Council Committees and Working Parties immediately prior to the meeting. She also screen-shared the list for members to see during the meeting, and talked through any Committees or Working Parties which required additional membership. In view of the upcoming elections for two additional Town Councillors on 6 May, she suggested that there was scope for new Councillors to fill some of the vacancies. Chairmanship of all Committees and Working Parties would need to be renewed at the start of their next meetings. Any changes would be ratified at subsequent Town Council meetings.

Amendments were made to the nominations as follows:

- I. Community Safety Group (formerly LAG): Councillor S Gazzard to stand down. Councillor M Chapman to remain as main representative with Councillor B Bailey as reserve.
- II. Queen's Drive Delivery Group: Councillor T Dumper had proposed Councillor D Poor as an alternative representative but withdrew this pending the result of the motion to request from EDDC an increase in Town Council representation to the group. Councillors S Gazzard and A Bailey therefore to remain as representatives and to defer consideration of membership changes until further clarification of the Town Council's representation on the group has been received.

Councillor L Elson proposed, seconded by Councillor M Chapman, and it was **RESOLVED that the appointment of members for all Committees, Working Parties and Outside Body representations be approved and adopted in**

accordance with the above amendments and the list attached to the signed minutes.

C21/035. To review the Council's eligibility and reaffirm the General Power of Competence.

C21/045. To confirm the dates and times of ordinary meetings of the Council and Committees for the ensuing year.

The list of dates and times of ordinary meetings of the Council and Committees for the ensuing year, which was circulated prior to the meeting, was noted. The Town Clerk explained that some dates may need to change following further government clarification on the roadmap for easing covid restrictions.

C21/046. To confirm that the Mayor, Deputy Mayor plus Chairs of Finance and Planning be authorised as cheque and online banking signatories for the year 2021/22 and to authorise the Town Clerk to update the bank mandate accordingly.

Councillor E Beech proposed, seconded by Councillor P Stott, and it was **RESOLVED that the Mayor, Deputy Mayor plus Chairs of Finance and Planning be authorised as cheque and online banking signatories for the year 2021/22 and the Town Clerk be authorised to update the bank mandate accordingly.**

C21/047. To consider a request from East Devon District Council for a contribution of £5920.20 to continue the cleaning regime for the public toilets at Exmouth Train Station from April – end June 2021 and a further consideration towards the costs for enhanced cleaning until the end of December 2021.

The Town Clerk summarised the report outlining the background to the request, which had been circulated prior to the meeting, and highlighted the two financial options if members agreed to support the request:

- I. Option A: Contribute towards the cost of keeping Exmouth Train Station Toilets open for 7 days per week 8am – 8pm with enhanced cleaning until end of June 2021 = £5920.20
- II. Option B: Contribute towards the cost of keeping Exmouth Train Station Toilets open for 7 days per week 8am – 8pm with enhanced cleaning from the end of June until the end of December 2021= £11,840.40

She further explained that EDDC Cabinet was imminently due to consider a recommendation to open those public toilets which had not been open at all due to the pandemic, as they were not considered Covid-compliant, such as those located at Orcombe Point. Option B therefore might include opening the Orcombe Point toilets, depending on the outcome of Cabinet's decision.

There followed some discussion about the request, with members expressing concerns in particular about supporting Option B before either the EDDC Cabinet decision was known, or the outcome of the government lockdown roadmap post June was clear. Members were, however, broadly in favour of supporting Option A, ie the continued opening of existing toilets until the end of June.

Following discussion, it was proposed by Councillor L Elson, seconded by Councillor M Chapman, and **RESOLVED that the Town Council would contribute £5920.20 to East Devon District Council to continue the cleaning regime for the public toilets at Exmouth Train Station from April – end June 2021.**

C21/048. To ratify a recommendation from the HR Group that the Council signs up to one of the Government approved Cycle to Work initiatives and adopts an associated cycle scheme.

The Town Clerk clarified that this policy would apply to all staff and Councillors, to enable them to purchase a bicycle to use to travel to work under a salary sacrifice scheme. The scheme allowed for the purchase of bicycles up to £2,000, including electric bikes.

Councillor F Caygill proposed, seconded by Councillor T Dumper, and it was **RESOLVED that the Town Council ratifies the Cycle Scheme Policy.**
